It's Just A Piece Of Cloth

That is all it is — just a piece of cloth. But when a little breeze comes along, it stirs and comes to life and flutters and snaps in the wind, all red, and white, and blue! And then, you realize that no other piece of cloth could be like it!

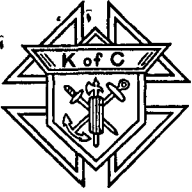

It has your whole life wrapped up in it — the meals you eat, the time you spend with your family, the kind of things your boy and girl learn at school, the strange and wonderful thoughts you get in church on Sunday.

Those stars in it — they make you feel just as free as the stars in the wide deep night. And those stripes — they are bars of blood to any dictator who would try to change this way of life.

Just a piece of cloth, that is all — until you put your soul into it and give it meaning. Then, it is a symbol of liberty, and decency, and fair dealing for everyone. It is just a piece of cloth until we breathe life into it, until we make it stand for everything we believe in, and refuse to live without it.

MEETINGS - 1st & 3rd THURSDAY

A Holy and Happy Christmas to all.

CHAPLAIN'S MESSAGE

The Good News proclaimed by the Angels on that first Christmas morning answered a need which mankind had felt since the fall of Adam and Eve. Man needed some assurance that he was loved and favored by God. And he needed that assurance in some visible, human form that he could understand.

With the Incarnation, God now had a human hand to offer, a human smile to give. Man no longer had to imagine how God would live if He were a man. He need only look at Christ's life and how He acted

toward other men. Man no longer had to imagine how God would treat a repentant sinner. He need only listen to Christ's story of the Prodigal Son, and watch how He treated Mary Magdalene. God wanted man to be able to recognize how fully He loved us. And so His love for us took on the human form of our love for one another.

The Christmas spirit, with its joy and good will toward others, is but a reflection of how we should live every day of our lives. Christ demanded of His followers that they not only believe what He taught, but also that they live as He lived. "This is how they

the area. In order to keep our dues at the
present range the officers have decided on
an annual billing.

You will shortly receive your dues notice
for January, 1974. For anyone making pay-
ment prior to Jan. 1st, 1974 the amount
will be \$14.00 for the entire year. Payment
after Jan. 1st, and prior to March 31, 1974,
will be \$16.00. Non-payment of dues by
March 31st will result in suspension.

1974 Travel Cards will be mailed by the
Financial Secretary upon receipt of dues
payment. This travel card will be used to
gain admission to the council. Separate
Home Assn. cards will no longer be issued
therefore it will be necessary to have a

Modern man still needs some visible, human expression of God's love for him. Today this human expression and example of God's love for man must come from us, who claim to be followers of Christ - we who have learned from Him and call ourselves Christians.

May the love of God for man, which is the true message of Christmas, be reflected in our love for one another, "so that all men may come to the knowledge of the one true God and Him whom He has sent Jesus Christ, the Lord".

A Merry Christmas to one and all.

Grand Knight's Message

After reviewing the activities of the past month it is evident that there is no energy crisis at De LaSalle. It is especially gratifying to see that there are men waiting to take on any new task that may be requested of them. Special thanks to Rich Peirce for taking charge of the distribution of the Thanksgiving baskets and to Tom Hayburn and the Retirees Club for assisting.

Coming up on December 4th is our annual Nuns Appreciation Night at the Council Home. We expect about 325 Nuns as our guests to a sit-down dinner and show and to hear our string band. This is our way of thanking these wonderful Nuns for all they do for us and our families and from the comments we have heard from the various convents it appears that they are looking forward to it.

We will have our annual Christmas party for the younger children on Sunday the 16th and Santa Claus will be there.

None of the above could have been accomplished without your help or the financial support from our COAL program. At the present time we are running behind last year's sales so please if you haven't returned your book do it today. There are only a few days left and so much depends on your support.

Best wishes to you and your family for a Holy and Happy Christmas.

Fraternally
Tom Murphy

LETTER TO DE LASALLE

590 K OF C

November 22, 1973

Dear Friends,

This is the most difficult thank you letter I have ever written. I just can't find the adequate words to tell you what a wonderful and unforgettable evening you showed us.

We have always felt honored and privileged to be accepted in your "home" and to be shown the hospitality and good fellowship you have extended but the generosity and unselfish efforts of everyone who made the evening proves further how large your hearts are.

This is the season of Thanksgiving, and in our humble way we thank God for all our blessings and ask that God bless you for your kind deed for which we are eternally thankful.

Sincerely,
Nat and Bun Hunt

Brother Thomas "Cagney" Donnelly is the outstanding selection for the December 590 News as "Profile of the Month.

Tom is the congenial banquet manager of the Home Association Caterers Committee, and is a very dedicated and active brother involved in Six Point Activities.

Tom has a dry sense of humor that knows no bounds and that "Takes No Prisoners". Tom has a compassion and feeling for other human beings that he continually tries to mask behind that gruff voice and constant needling. He is a dedicated family man, and his lovely wife Vicky would be the first to tell you this.

Tom is as much a part of De LaSalle 590 as the very building.

He is your friend, advisor and always your no. one brother Knight. Tom Donnelly and Vicky, we salute you - with Good Helath and Warm Friendship - May God Always Bless you.

KNIGHT MARES

This column has been written for 13 years to say hello to our Brother Knights in a friendly way.

It's always been a lot of fun and was received in the same direction.

The exciting part of our Council is seeing the new members coming in, getting active, and doing their thing. This is also the vital function of our Council. We need the young blood, the new ideas and this type of creative thinking. We accept these young Knights and we thank them for belonging to De LaSalle 590.

We are especially proud of the new crew from St. Eugene's Parish - they coined the phrase of "Just say Hello" to another member. The "Hello" Boys are for real and they mean every word.

From the Nightmare Column - We wish all a Christmas thought - "The good of Christmas, and the Happiness of that day should be a 365 day cycle. The desire on Christmas to love and be loved should not end that day - This feeling should be always with us". So like the "Hello" Boys, Say Hello to everyone and "watch the smiles". Merry Christmas.

CHRISTMAS DAY 1973

Again we bow our heads in prayer
As we have in years gone by
And in this year- both good and bad
We've had our laughs and cried

The Nation has gone thru turmoil
Recessions, strikes- -hypocrisy
Lost confidence and face a fear
Of crisis with our energy

But with it all we meet today
To reverently pray
And give our thanks to You alone
For this Christmas Day.

RETIREE'S CLUB OF DE LASALLE

The regular meeting of the Retiree's Club was held on Tuesday, October 16, in the Council Home. The meeting opened with prayer at 1:25 P.M. The minutes of the previous meeting were read and approved. The Treasurer reported a balance of \$220.44.

Brother Brooks Millard stated that due to lack of interest and cooperation, he has abandoned the trip to Curacos. Brother Ed Gallen, temporary Chairman of our Christmas party, reported progress on our Christmas Party, to be held on December 18. He requested that we make our reservations at the present time so that we can arrange with the caterer the exact number that will be present. Remember, our wives and girl-friends are invited to this affair.

President Eichenlaub who represented our Council at the testimonial to Msgr. Louis J. Meyer, made a report of this affair. Msgr. Meyer is our Worthy Chaplain.

Mrs. Elise Cunningham, Archdiocesan representative of the Council on Aging, explained very thoroughly and clearly the advantages of our group joining the Archdiocesan Council. At the present time there are over 100 Senior Citizens groups, members of the Council. Under new business, it was voted unanimously that we join the Archdiocesan Council.

An invitation was received from De LaSalle Council to attend Law Day Flag Ceremony on Sunday October 28, in the Council. Members of Philadelphia and Delaware County Police, Pennsylvania State Police, Federal Bureau of Investigation and color guard of Lu Lu Temple as well as the K-9 Unit of the Philadelphia Police will be in attendance.

In response to an article appearing in the Catholic Standard and Times, a request was made of the members to donate any articles of clothing, suits, jackets, sweaters, shirts, etc., to St. John's Hospice, 1221 Race Street, Philadelphia. Founded 10 years ago, under the direction of the Brothers of the Good Shephard, they have served 3 million meals, provided 200,000 nights shelter and given out more than a million articles of clothing,

and assisted more than a thousand needy families. All this has been done free, no questions asked. We are requesting the members of the Council who might read this article to assist us in this drive for clothing to help the needy men who come to the Hospice for material help. Brother Mark, Director of the Hospice said, these men have personal problems with their wives, their families, alcohol or drugs. Most of these men were not alcoholics but people who could not cope with the pressures of daily living and accepted rather than wanted the life of a transient.

Please make a thorough search of your clothes closets, attics, etc., for any usable clothes these unfortunate men can use.

There is a room set aside at the Council where these clothes can be brought, cartons will be supplied by the Home Association to place them. From time to time members of the Retiree's Club will bring these clothes to the Hospice. The more trips we make, the happier we will be, and I am sure the Brother Director and the other members of the Hospice will be pleased. God bless you for your interest in this request. Bro. Harry DeArros was the winner of the 50/50, \$8.00.

Edward M. Haley,
Secretary

The regular meeting of the Retiree's Club of De LaSalle was held on Tuesday, November 6. The meeting opened with prayer at 1:10 P.M. The minutes of the previous meeting was read and approved. The Treasurer reported a balance of \$231.44 in our Treasury.

Chairman Ed Gallen made a report of our Christmas party to be held on December 18 in the Council Home. A discussion was held about suitable gifts for our wives and lady friends.

A reminder postal card will be sent to the members at a later date. The president received a letter from the Administrator of the Catholic Social Services, Archdiocese of Philadelphia, welcoming our group as a member of the Archdiocesan Senior Citizens Council. It was voted that our group offer our services to the Council for the packing and delivering the Thanksgiving Day baskets for the needy families in the area. These

baskets will be prepared on Tuesday, November 20, therefore we will not have any formal meeting. President Eichenlaub made a report of the trip to Candle Lite Theatre in Arden, Delaware, attended by some of our members, sponsored the AARP.

The attendance 50/50 prize was won by Lou Gana, \$16.00.

Our next meeting will be held on December 4th. No meeting on December 18th.

Dear Mr. Solari:

I take this opportunity to thank you for your thoughtfulness in writing on January 5th and enclosing a copy of the "De La Salle 590 News." Also, I am appreciative of your gracious remarks concerning the recent article about me in "The Philadelphia Evening Bulletin."

It was kind of you to extend an invitation for me to be the guest speaker at your Fifth Annual Law Day on October 27th in Springfield. I regret it is not possible for me to give you a positive response because of the uncertainty of my schedule and the heavy pressure of business in Washington preclude me from accepting as many speech invitations as I would like. I trust you will understand my position.

Sincerely yours,

Dear Mr. Kelley:

You and Mrs. Kelley are cordially invited to F.B.I. Night at our Council May 16, 1974, Thursday at 8:00 P.M. We will honor Mr. Richard J. Baker and the Phila. Office for dedicated service to the Community. Last Law Day we had the honor of having Mr. and Mrs. William Sullivan with us and everyone was so impressed that I asked our Grand Knight if I could dedicate a Night to the Phila. Office and the entire Bureau U.S.A. I received that O.K. and wrote a letter of invitation to Mr. Baker who graciously accepted and so on May 16th we will have a very nice program. I do hope that you and Mrs. Kelley can be with us to honor men and women who do it all.

Dear Mr. Kelley:

I am enclosing a picture taken at our Council May 16th when our Grand Knight sponsored F.B.I. Night honoring your excellant Dept. and especially the Phila. and Newtown Sq. Offices. Mr. Richard J. Baker was **Guest** of Honor Speaker. Also present were Agents and their wives, [redacted] head of the Newtown Sq. Office, Township Police Chiefs, Pa. State Police Commanding Officers, C/I [redacted] who represented two friends of yours, Mayor Frank L. Rizzo and Commissioner Joseph F. O'Neill of Phila. Honorable Richard Conneen, Judge of Springfield Township also attended. Grand Knight Tom Murphy presented a National K. of C. Patriotic Scroll to Mr. Baker for outstanding dedicated service to the Community he serves. He gave a very timely talk on the F.B.I. and how up to date they are with the times. A film was also shown that everyone enjoyed. I was really proud that we held the Program even if we had competition from our wonderful Flyers and the crowd was very small. After the affair all Guests of Honor were escorted to our new V.I.P. Room for hospitality by our great Grand Knight. This was to be his last major program before he goes out of office in June 1974 and as usual he did things right. Thank you for the nice letter of goodwill you sent I had the pleasure of reading it, along with the many others, at the June Business Meeting. Our newly elected Grand Knight will be Lou DiFillipo, a very dedicated person who will take office July 2nd.

Thank you again Mr. Kelley for your thoughtful cooperation. I hope that soon I will have the honor of meeting you and Mrs. Kelley at our Coucil Home.

P.S. Out of respect for you Mr. Kelley I have received permission from Grand Knight Tom Murphy to involve the picture in any F.B.I. Public Relations you wish. I get quite annoyed when I see the Press slant the news, sometime affairs like F.B.I. Night are hidden deep inside the newspapers while when a dedicated man slips once he is ridiculed. I know I can never get the local T.V. people to cover our Annual Law Day when we honor Local, City, State, and Federal Officers. It is peaceful and normal but just let trouble occur and all cameras are grinding away. I respectfully request that at your next press meeting you show reporters how the largest K. of C. Council feels about your Dept. from Mr. William Sullivan in Los Angeles to Mr. Richard Baker in Phila. The Award must be earned and the recipient must represent the highest ideals of the Knight's of Columbus, Love of God and Country, Honesty, Loyalty and Integrity. DeLaSalle Council 590 is proud and honored to have presented National K. of C. Patriotic Scrolls to William A. Sullivan and Richard J. Baker, AMERICANS and dedicated servants of the law abiding community.

Dear Mr. Kelley:

DeLaSalle Council 590 will hold its 5th Annual Law Day Sunday Oct. 20th at 2:00 P.M. We are very proud of this major Council Affair because it has grown from its infancy to one of our really big events. Last year for the first time the F.B.I. took part in the program. Mr. and Mrs. William A. Sullivan were with us and we will long remember these two gracious people. Mr. Sullivan took part in the march to the Flag Ceremony with the Color Guards of our Sir Knight's, LuLu Temple Masonic Order and the USN. He really enjoyed the Phila. Police K-9 Show and then our Grand Knight and his Officers with there wives entertained Mr. and Mrs. Sullivan and other V.I.P. Guests in our V.I.P. Room. I have sent Mr. Sullivan press releases and pictures of F.B.I. Night which I know he helped with before he left for L.A. So it is with deep pride and respect that I am enclosing both your and Mr. Sullivan's invitation to our 5th Annual Law Day.

I would appreciate your help in making it possible for he and his lovely wife to be with us on Oct. 20th. As I have said DeLaSalle Council will never forget that he was the first member of the F.B.I. to take the time from a busy schedule to be with us last year. May God guide and protect him and his wonderful family.

Thank you again for your cooperation in our Community Relations Program. F.B.I. Night was carried in the Pa. Key-stone Knight with a picture of Mr. Baker and a press release. I was in Atlanta recently on vacation and paid my respects to Mr. James Keefe, Special Agent In Charge. I left a copy of our 590 News Issue that had F.B.I. Night in it.

Sincerely yours

Publicity Chairman

Your recent communication inviting Mrs. Kelley and me to attend your Fifth Annual Law Day on October 20th was received on August 21st and I regret very much that my heavy schedule of commitments makes it impossible to accept your kind invitation. I am doubly sorry to have to inform you that his many serious investigative responsibilities will likewise prevent Mr. William A. Sullivan, Assistant Director in Charge of our Los Angeles Office, from attending.

If it would suit your planned program, you might contact Special Agent in Charge Richard J. Baker of our Philadelphia Office who, I know, will make every effort to attend consistent with his current schedule of commitments. You have my best wishes for a very successful day on October 20th.

Sincerely yours,

Dear Mr. Kelley:

I am enclosing a copy of Letter of Commendation for Mr. William A. Sullivan, Assist. Dir. of your Los Angelis Office. Agent [redacted], who represented you, Mr. Sullivan and Mr. Baker, accepted along with a set of God and Country medals for Mr. Sullivan. I think the letter is self-explanatory and the Medals are from our wonderful Franklin Mint. We at DeLaSalle Council do not intend to sit idley by and have a dedicated man like Mr. Sullivan harassed while he and his excellany staff are serving with honesty and integrity. I again want to thank you for your support of our Law Day which was a fantastic success. Grand Knight Lou Di Filippo pulled all the stops out and our V.I.P. room was overflowing with law officers and their wives. I also want to congratulate you for having such a dedicated Agent as [redacted] When he was called up to receive his silver key-chain award and accept for Mr. Sullivan he really made a wonderful impression on the people with us.

[redacted] did all the leg work for me on F.B.I. Night held at our Council recently. Again congratulations for having dedicated people like William A. Sullivan, Richard J. Baker, [redacted] and the whole gang from Delaware Valley, when you are # 1 Mr. Kelley you know you're the best in law enforcement.

I want to personally thank you for your participation in our 5th annual law day when we honored law officers from Township, City, State and Federal Depts. Sunday Oct. 20, 1974. We all feel that this was the best affair held so far thanks to people like you taking time out from your busy schedule and free time to be with us when we honored these dedicated lawmen and law women. I personally appreciate your cooperation and will not forget it. I also want to thank all those fine people who although they could not be with us took the time to write letters of goodwill to us and cooperated by having their personal representative present. I again will not forget your thoughtfulness.

HELLO, REMEMBER ME?

Some people call me Old Glory, others call me the Star Spangled Banner, but whatever they call me, I am your Flag, the Flag of the United States of America. Something has been bothering me, so I thought I might talk it over with you, because it is about you and me.

I remember some time ago people lined up on both sides of the street to watch the parade and naturally I was leading every parade, proudly waving in the breeze. When your daddy saw me coming, he immediately removed his hat and placed it against his left shoulder so that his hand was directly over his heart—remember?

And you, I remember you, standing there straight as a soldier. You didn't have a hat, but you were giving the right salute. Remember little sister? Not to be outdone, she was saluting the same as you with her right hand over her heart—remember?

What happened? I'm still the same old flag. Oh, I have a few more stars since you were a boy. A lot more blood has been shed since those parades of long ago.

But now I don't feel as proud as I used to. When I come down your street you just stand there with your hands in your pockets and I may get a small glance and then you look away. Then I see the children running around and shouting—they don't seem to know who I am—I saw one man take his hat off then look around. He didn't see anybody else with their hats off so he quickly put his back on!

Is it a sin to be patriotic anymore? Have you forgotten what I stand for and where I've been? Anzio, Guadalcanal, Korea, Viet Nam. Take a look at the memorial honor rolls sometime of those who never came back to keep this Republic free: *One Nation Under God*. When you salute me you are actually saluting them.

Well, it won't be long until I'll be coming down your street again. So, when you see me, stand straight, place your right hand over your heart—and I'll salute you by waving back—and I'll know that . . . **YOU REMEMBER!**

Can We Wave The Flag Too Much?

by Sidney L. DeLove

Is it possible to wave the flag too much? Provided, of course, that you wave it with integrity? Is it possible to read the Bible too much? The great, the good, the true, are inexhaustible for inscription, example and strength.

No—we are not waving our flag enough, not nearly enough. We are developing a tendency to be timid or even apologetic about waving the stars and stripes. Walk up and down the streets on July 4th and count the flags. It is our nation's birthday, a sacred day in world history, the most important day of America. Why isn't the flag flying on every rooftop and from every home and building? This complacent attitude is strong evidence of cancerous patriotic decay.

The flag is a symbol of our national unity. It is the spirit of our undying devotion to our country. It stands for the best that is in us . . . for loyalty, character, and faith in democracy. Isn't our flag a synonym of the United States of America? Does it not represent man's greatest, noblest, most sublime dream? Is it not the zenith of achievement, the goal to which generations have aspired?

It is time for us to stop for a moment and think. Let us arrest our near reverential admiration of material success and return to the spiritual and ethical values. Let us imbue and rekindle in ourselves and our children the so-called old-fashioned way of patriotism, a burning devotion to the principles and ideals upon which our country was founded.

Should not every home own and proudly display the colors on holidays and other such occasions? Isn't the flag Patrick Henry, Jefferson, Franklin, Washington, Nathan Hale, Gettysburg and Valley Forge, Paul Revere, Jackson and other great men and women who have given us our heritage. When you look at the flag can't you see the Alamo, Corregidor, Pearl Harbor, The Monitor, the Merrimac, Wake Island and Korea? Lest we forget, isn't the flag Flanders Field, Bataan, Iwo Jima, Normandy, Babe Ruth and Davy Crockett? The great events of our past and present are wrapped up in our flag?

It is a symbol of this blessed nation, a giant in industry, education and commerce. Millions of fertile square miles, wheatlands, coal mines, steel plants. Our great republic, the chosen infant destined to be man's last and remaining hope for suffering humanity, a shining beacon of light, noble and glorious, the haven for the oppressed and persecuted and truly God's gift to mankind.

Can we wave the flag too much? Never.

Dear Mr. Kelley:

Each year at this time our Council will enter the Cardinal Dougherty Assmably Patriotic and Community Relations Award contest for best Council monthly publication. I feel our 590 News is the best K. of C. issue their is in the country but that does not help our Grand Knight. We must receive an endorsement from outside the Council and it must be from a person who was involved with the publication. I feel we are qualifæed on all counts in this matter because last year we held "F.B.I. Night", honoring the Phila. and Newtown Sq. offices. Mr. Baker was Guest of Honor speaker and we had a large group from both offices with us. Pictures and a press release was run in the 590 News and a copy sent to you personally, so we touched all bases.

I respectfully request that you send a letter to,

thanking him for an excellant Council publication that reflects the high ideals that you and the Bureau appreciate, Love of God and Country. I would deeply appreciate this Mr. Kelley and it would help us in our attempt to win again this year as we did last year. Mr. William Sullivan's and Mr. Baker's cooperation along with the U. S. Navy, Phila. Police Dept. and other dedicated community people who got involved with our Council made this possible for which I am very grateful. I also want to thank you for your cooperation and hope that you can be with us Law Day, 1975, Oct. 19th.

I am also enclosing the latest K. of C. bi-centennial decal from Supreme Office in New Haven, Conn. Since we are in the Phila. area I think we are the first Council to get them. I have sent two to President and Mrs. Ford out of respect for their wonderful support they gave our Fly For Leukemia Fund Night, Feb. 20th past. Please use them as a token of appreciation from [redacted]

ippo, [redacted] We are very proud of our Community Relations Program and of the support of people like yourself and the Phila; Los Angelis and Atlanta Offices. You may rest assured the largest Council in the State of Pa. does not intend to sit idly by and see you or any of your dedicated Officers maligned by those who would tear down all that you and those before you built up. That was the main reason for our Council sponsoring F.B.I. Night last year to let the community know that you had our support right down the line.

Thank you again for your taking the time to answer my letters. They have helped me in my Council position as Publicity Chairman.

Sincerely yours

Dear [Redacted]

This is to acknowledge receipt of your communication of April 19th, with enclosures, requesting that I direct a letter to [Redacted] endorsing the "590 News" in connection with a contest to determine the Council's best monthly publication.

I regret that a long-standing policy of this Bureau precludes my endorsing any publication for the purpose of receiving an award; however, I would like to compliment the Knights of Columbus and in particular, De La Salle Council, Number 590, for its continuing support of the law enforcement profession and its genuine devotion to God and country. My associates and I trust that our future endeavors will continue to merit your approval.

With respect to your invitation for me to be with you on October 19th in recognition of Law Day, 1975, the pressure of official business here in Washington precludes my accepting additional commitments. You have my best wishes for a very successful meeting.

Dear Mr. and Mrs. Kelley:

You are cordially invited to attend our sixth annual Law Day, Sunday, Oct. 19, 1975 at 2:00 P.M. at our Council Home. We will honor all living and deceased law officers, local, city, county, state and federal for their dedicated service to their community. As in the past years the Flag ceremony will start at 2:00 P.M. sharp on the parking lot. Program will include the famous Phila. Police K-9 Unit, color guards of our Sir Knights, LuLu Temple Legion of Honor, U.S. Navy Recruiting Service, Phila. Police Dept; and the U.S.M.C. from the U.S. Fourth Naval District. A special award will be presented to the Council's choice of Law Officer of the Year. This year will also be a special award made, the Knights of Columbus Councils highest award possible, The Certificate of Merit. This honor will be bestowed on a person who has more than qualified for it by his outstanding dedication to not only his official profession but by his cooperation with our Councils community relations program. It is a rare and seldom honor given and your presence would be most appreciated to honor this gentleman. Grand Knight Lou DiFilippo will make the presentation. Since our Councils beginning in the year 1900 I guess you could count on your fingers the dedicated men who have been so honored with this highest of all Council Awards. I sincerely hope that your schedule will permit you to attend Law Day #6, Sunday, Oct 19, 1975 at our Council Home. If not will you please have your official representative present so that we may properly honor you.

Dear Mr. Kelley:

On Thursday, July 1, 1976, Grand Knight Lou Di Filippo will complete his second and final year of office as head of the largest K. of C. Council in the State of Pa.

Normally a Grand Knight is elected for 1 year and no more than 2 terms in office. Grand Knight Lou Di Filippo has served with complete dedication to his office and the community. The many humanitarian affairs he has sponsored has helped many, both young and old, in and outside the Council. As his Publicity Chairman, I have personally seen him, after working long hours during the day, visit the sick or travel a long distance to honor some member of the community who performed an act of charity. I think it only fitting that he be honored with letters from those people

who cooperated in our community relations program, such as yourself. I know that a letter from you would mean much to Grand Knight Di Filippo and the Council. It will be read at the Council June Business Meeting on the 3rd., 1976.

Please address the letter to, Grand Knight Louis J. DiFilippo in care of, [REDACTED]

Thank you for your dedicated cooperation in the past, it was deeply appreciated.

Dear Mr. Kelley:

As Chairman of our 7th annual law day, I extend to
and Mrs. Kelley a most cordial invitation to attend this
affair on Sunday, Oct. 3, 1976, 2:00 P.M. at our Council
Home. We are very proud of this community program that is
now known throughout the U.S.A. We honor all law officers
living and deceased with the Flag Ceremony and the Color
Guards present. Highlights of the day are the demo show
by the famous Phila. Police Dept. K-9 Unit and the Law
Officer of the Year Award. I personally try to choose
from local, city, state and federal officers who during
the past year performed their duties in an outstanding man-
ner. Also any community humanitarian acts that they may have
done is considered. Naturally the only one who knows the
choice, besides myself, is our Grand Knight who has been in-
formed of my choice and has approved it. After much con-

Dear Mr. Kelley:

As the sun must rise in the East and set in the West so must we in all walks of life have our sun set in whatever position of life we strive to succeed. I, personally, remember when our President was running for the highest office of the land made certain statements concerning you that made all of us at the Council very upset but like so many campaign promises they did not prove to be correct. I and all our Officers are very pleased and yet a little sad to realize that you will be leaving your office at the end of the year. Pleased that at last you and your lovely wife will be able to enjoy all the run off things that will be enjoyable to you and sad that the country will be losing the dedicated service of a man like you. The Law Enforcement arm of the Federal Government will miss you and your efficient and just decisions. DeLaSalle Council 590 wishes you congratulations for your years of dedicated service to God and Country and hopes that you enjoy many years of happy retirement. I, personally, want to thank you for the many letters of support that you sent to me and I am making a donation in your name to the Phila. Eagles Fly For Leukemia Fund as an indication of the respect we have for you at our Council. Dear 

I wish to thank you and the De La Salle Council of the Knights of Columbus for the expression of sympathy for our slain agents, Benjamin P. Grogan and Jerry Dove. All of us appreciate your thoughts and prayers at this time.

It is also kind of you to have these agents remembered at the Annual Law-Armed Forces Day ceremony along with so many other law officers who gave their lives in the line of duty. Thank you again for your thoughtfulness.

Dear Judge Webster:

The above letter refers to a letter of sympathy I sent to Mr. Davis concerning the senseless killing of two fine outstanding Bureau Agents in Miami, Fl. We can never bring them back but we at Council 590, K. of C. will never allow them and all other Law Enforcement Officers who gave their lives serving God and Country with Honor, Valor and Integrity to be forgotten. As I told S.A.I.C. Wayne Davis I will instruct our Law-Armed Forces Day Memorial Ceremony Commander, Lt.Col. C.M. Collins III, USMC; 47th Marine Air Wing, C.O. to fire a memorial rifle salute and the USMC 4th District Honor Guard will half-staff our Colors in memory of the ~~dedicated law officers who did their duty the best they knew how, with outstanding professionalism. "WE HAVE AN OFFICER DOWN!"

Dedicated to All
Law Enforcement Officers

Agents Benjamin P. Grogan and Jerry Dove, MAY THEY REST IN PEACE.

All over the USA law officers, night and day, protect life and property. It is during their tour of duty that all officers in patrol cars hear many messages come over their radio speakers.

The one message that they all wish they would never hear is, "We have an officer down, shots fired." It means that somewhere in the jungle of crime, an officer has received a bullet that all too many times ends his life.

That officer may be a recruit just out of the training academy, or a veteran getting ready to retire. Those hearing the message wonder if they know him, if they served with him at one time or another. Later, more information comes in and everyone finds out that the officer has been taken to the hospital for expert medical care, but it is all in vain as the surgeons watch helplessly as this brave officer's life ebbs away. Veteran officers sob unashamedly, and relatives are shocked by this senseless taking of a life. Another brave and dedicated law officer has paid the supreme sacrifice serving his God and country. May he rest in peace.

He did his duty as he saw it, asking no quarter and giving none to the ruthless criminals who would tear down all that law-abiding citizens have built up.

These dedicated officers, day in and day out, fair weather or foul, put their lives on the line for us. We pray and hope that one day no officer will have to hear those chilling words sent over police communication systems throughout the country: "We have an officer down, shots fired."
